

TECHSTREET - NEW AND IMPROVED

YOU ASKED. WE DELIVERED.

This summer, the world's best standards management platform gets even better.

Starting mid-July, Techstreet Subscriptions will become Techstreet Enterprise, an enhanced standards platform that gives you the option to **integrate single-copy purchasing** into your standards subscription.

- **Get a powerful cost management system** to oversee, analyze and control your organization's single-copy standards usage and spend
- **Empower users** with a single solution for managing both subscription-based content and individually purchased standards
- **Expand your content coverage** with single-copy access to hundreds of catalogs from the world's leading standards publishers

Enable single-copy purchasing for free as part of your current Techstreet subscription - stay tuned for more details!
